

Box Elder School District Rental Fees and Information

A 501c3 or tax-exempt number may be required from those renting on the non-profit schedule. Municipal entities will be charged the non-profit rate unless special agreements have been approved by the respective governing bodies.

If district personnel volunteer for supervision the supervision rates may be waived at the discretion of the principal. An hourly non-exempt employee whose work involves supervision may not volunteer.

1. A deposit sufficient to cover estimated cost of rental must be paid in advance. The facility will not be scheduled until this deposit is received.
2. Rental charges will be assessed during all hours that any participants of the rental group are in the building.
 - Other fees will be charged, according to the adopted schedule, as applicable.
 - District employees are not responsible for the supervision of participants or spectators. The contracted party is responsible for such supervision.
 - Minimum rental will be one (1) hour and will increase in half-hour increments.
3. Non Civic Center and Commercial renters **WILL** provide liability insurance.
4. Rental of outdoor facilities will be subject to mowing, watering and general care schedules.
5. Special equipment, such as computer labs or sound and light booths must be operated by district technicians and are available only under special arrangements.
6. Reservations may be cancelled or altered if, in the opinion of the principal, it becomes necessary to do so to protect the best interests of the district.
7. In the event of damages to any part of the facilities and/or properties belonging to Box Elder School District, additional charges will be billed to the responsible party.
8. Renter understands and agrees that the use of the school district property or building is subject to restrictions imposed by state law, regulation and district policy. Renter will familiarize itself with and abide by all state laws, regulations and school district policies, including but not limited to, not allowing the use or possession of alcohol or drugs; not allowing the use or possession of fireworks; and not allowing weapons of any sort on school grounds or in school buildings. In addition, the renter should be aware of the effect its activities have on neighbors of the school district and should provide proper supervision for its activities, insure its patrons understand where parking is allowed and where it is prohibited, and show respect for the property of surrounding landowners.

Non-Profit Rates: Non-profit rates apply to other governmental entities, universities, churches, service clubs or class reunions. Admissions may not be charged except in the case of local service clubs, which are charging admission but are using a sizeable portion of the profit to benefit students of the district. Other groups that are holding other free admission activities, such as tournaments, that benefit students of local patrons may also qualify for the non-profit rate. Locally owned and operated (Box Elder County) baton, dance, singing, piano, and other such instructional entities, whose students are also students of the Box Elder School District, may rent **twice** per calendar year at the noncommercial rate for recitals, performances, or similar programs involving the students.

Commercial Rates: Commercial rates apply to groups that charge admission and/or are attempting to realize a profit, either directly or indirectly, from the use of district facilities. Examples are dancing, singing, or baton schools, piano recitals, clubs, businesses or churches, whose primary aim is to recruit, advertise, or realize financial gain. The commercial classification also applies to any group sponsoring a fund raising effort in which a sizeable portion of the profit will be paid to a performing group and/or retained by the contracting party.

Liability Insurance: In cases where the rental qualifies as a Civic Center (UCA. § 53A-3-413,414) and involves activities with little or no risk of bodily harm, the liability insurance will be waived. Examples are meetings, classroom lectures, and piano recitals. Renters using the gym, showers, swimming pool, kitchen area, and the auditorium may want to consider liability insurance for their own protection. Liability insurance will be verified and documented in all cases where such insurance is required.

Adopted September 1989
Amended April 1991
Amended February 1995
Amended July 2003
Amended November 2009
Amended May 2014 with Civic Center Law

UCA 53a-3-413,414 & 63G-7g301(5) - Permit Immunity for Use of Schools This law which became effective May 13, 2014 grants governmental immunity to schools when they "permit" use of their school/grounds to non-commercial groups/individuals. The rental agreement constitutes a permit and allows the district to waive liability insurance requirements for non-profit use.
